Dear Bill:

This past Tuesday, the PFIAB's Analytical and Political Task Force met to discuss our draft report on the adequacy of political intelligence on the Soviet Union. While there is more work to be done before we complete our report, I wanted to drop you a note at this point to tell you how pleased we have been with the cooperation we have received from the Agency in responding to our many requests.

Clair George and Bob Gates have been more than helpful; their staffs quite professional. In particular, I would like you to relay to Bob that the Task Force was much impressed with the thoughtful comments sent to us by Doug MacEachin, the new head of SOVA. *See me done attached*

We look forward to discussing our report with you in the near future.

Sincerely,

Sev
